

# STRASS® Swarovski® Crystal and BrilliantCut® Full Lead Crystal<sup>1</sup>

## STRASS® Swarovski® Crystal:

STRASS® Swarovski® Crystal is a product line made especially for the chandelier market. STRASS® Swarovski® Crystal, which has a lead content exceeding 30% is the luxury brand name most requested by leading chandelier manufacturers and can be seen sparkling in fine homes and museums.

- Beautiful sparkle and optic clarity
- Perfectly machine cut and polished lead crystal
- Brilliant light refraction and color play
- Invisible coating which repels dust
- Maximum rainbow play
